ASFOUR CRYSTAL International

Foundation:

In 1961, the Company was established in Shoubra El-Kheima Industrial Zone.

Background:

The Company has become one of the major international manufacturers of transparent and colored crystal of the finest qualities. Moreover, it has been a pioneer in the production of different sizes and weights of chandeliers of special specifications for hotels, palaces, and houses of worship. The Company encompasses one of the most splendid and largest international showrooms, wherein displays all its products. The area of this showroom is more than 2000 m², annexed to the plants of the Company. The Company has a large selected group of consultants, engineers, and technicians in all production phases. Furthermore, it has a department specialized in designing and producing chandeliers of special specifications.

Development:

All the manufacturing processes, in the different production phases, had been done manually since the onset of the company in 1978, however, the Company made a breakthrough when all the production processes were automated by adopting the state-of-the-art technology.

The Company has been focusing on the goal of improving the quality of production until it has actually been up to international competitive levels. In fact, the plant's daily production capacity amounts to 130 tons of transparent and colored crystal manufactured in the most technically advanced electric kilns.

Products:

The production lines vary to cover many areas such as:

- 1 - High quality crystal pieces (more than 30%)
- 2 - Chandeliers, wall mounted lamps, table lamps, and ceilings lamps of various sizes and designs.
- 3 - Specially designed chandeliers.
- 4 - Crystal gifts.
- 5 - Laser crystal engraved two and three dimension gifts.
- 6 - Ladies accessories.
- 7 - Crystal stones.
- 8 - Spot lights with crystal pieces.

Exports:

Whereas 95% of the Company total production is exported to countries all over the world, the other 5% is for the local market. The Company has worldwide agencies and dealers to distribute its products, which are competing with those of international companies.
